Q. Who was responsible for managing and tapering the Medicines of the Patient?

Ans: Dr. Pawan Wadhawan.

Q. What was the role of Dr. BRC?

Ans. He was teaching mainly about the healthy diet and motivating us to follow a healthy diet full of fibres for a healthier life.

Q. Was there any facility to handle Medical emergencies?

Ans. Yes!! There was an oxygen cylinder, and a room with emergency drugs. Mr. Nitish Kumar was there with 2 nurses.

Q. What do you know about the qualification of Dr. BRC?

Ans. From his video we know that he is a post-graduate in Diabetes ~~study~~ and life style disease.

Did his camp help you in any way? Mention how?
Yes the camp was a good chance to actually try healthy food and make changes in lifestyle for a better life.
